Conditions of Use of WoSign Trusted Site Seal

1. **Who can use the WoSign Trusted Site Seal?**
   Any organization that uses a valid WoSign OV SSL Certificate SSL Certificate is welcome to display the relevant WoSign Trusted Site Seal on their website under the following conditions:
   - The WoSign Trusted Site Seal will only display correctly for the exact domain you acquired a certificate for.
   - If you acquired a wildcard SSL certificate, then you can display WoSign Trusted Site Seal at all same sub domain of the top level domain.
   - If you are not using a WoSign OV SSL certificate or EV SSL certificate, you are not entitled to use the WoSign Trusted Site Seal.

2. You may not alter the WoSign Trusted Site Seal displayed on the WoSign website.

3. The WoSign Trusted Site Seal may not be used in any way that will mislead Internet users into believing that a web page or website is secure, when in fact it is not.

4. If you qualify to use the WoSign Trusted Site Seal, you may use the following text to explain its use: "This website is secured using a WoSign SSL Certificate. This ensures that all information you send to us via browser will be encrypted and secured. Please click on WoSign Trusted Site Seal which demonstrates the website identity and related information is verified."

By using WoSign logo or Trusted Site Seal on your website, you indicate your acceptance of these conditions of the use of WoSign's logos and Site Seals.
